Why Term Life Insurance?

Term life is designed for the years when your family depends on you the most.

- **Replace** lost income
- **Pay off a** mortgage
- **Cover** debts & final expenses
- **Protect** your spouse & children

When Should You Consider Permanent Coverage?

Term is a great starting point. But you may want **lifetime protection** if you:

- Want coverage that never expires
- Want to **build** long-term financial value
- Want additional protection for retirement or legacy planning

Ask us if a permanent plan may be right for you

We're Here When It Matters Most

At Open Care, we've helped **many families** through some of the hardest times in their lives.

We've helped provide the time and **financial support** they needed to recover after a loss.

It Just Makes Sense

It makes financial sense to protect your family when you can't fully self-insure.

We're here to guide you toward the right protection plan for your situation.

Talk to a Real Person Today

Our experienced agents are ready to help.

- **Call today just to say Hi –** you may have great news waiting for you.

We protect families for as little as $1 a day.
